Now What? List 2 things you'll do in the next few weeks for this subject.

This may be a continuation of something you've already been doing successfully, something new you'd like to try to achieve more or something you'll actively stop doing because it hasn't worked for you. This is commonly known as Start Stop Continue.

Is the content needed for HSC? Yes or No

If yes, you'll need to hold onto everything for some summarised study notes (we'll look at this more soon)
